

Scarlett Moffatt

Queen Scarlett, winner of **I'm A Celebrity Get Me Out of Here**, 2016, has become a firm favourite with the Nation's TV viewers.

Scarlett's funny one-liners had the **I'm A Celebrity** audience in stitches, as well as hosts Ant and Dec, as she tackled all the bush tucker trials thrown her way. Fans of the show won't forget her **Celebrity Cyclone**, **Cavern of Claws**, and hilarious **I'm A Celebrity Big Bush Bake Off** with Scary Mary Berry. A worthy winner, Scarlett said in the jungle she would rather win a million laughs, than a million pounds.

Her infectious enthusiasm and down to earth personality has landed her many exciting presenting opportunities in 2017. January saw her take on her first live presenting job alongside Dermot O'Leary, interviewing winners backstage at the NTA's. Up next, Scarlett will be presenting alongside Ant and Dec for prime time entertainment show **Saturday Night Takeaway**. She will also be fronting the much-loved revived 90's dating programme, **Streetmate**. In addition, Scarlett is lined up to join forces with the one and only **Alan Carr** for a brand new show. Bring on 2017, it's sure to be a great year!

As a member of one of the original contributing families on **Gogglebox**, the Moffatts, Scarlett is known for her witty and insightful opinions, and has become an established part of the cult Channel 4 show.

With a book that topped the best-seller lists, **Scarlett Says**, and a top selling DVD, **Scarlett's Superslim Me**, she has built a strong robust following.

Much in demand for her entertaining comments, and spot on commentary, Scarlett has been taken to the Nation's heart. She's equally happy appearing on TV, as a magazine cover star, or eating a kebab at home with her family.
